

ACADEMIC REQUIREMENTS AND STUDENT EXPECTATIONS

OSAA STANDARDS

An eligible student must be enrolled full time as defined:

- A full-time student is one who is enrolled in high school, attending regularly and passing 5 of 7 classes, and who during the immediate preceding semester was enrolled in school, attended regularly and passed 5 of 7 classes. If you do not pass five classes, you will be ineligible until the next semester.

BEAVERTON SCHOOL DISTRICT STANDARDS

- Athletic and activity participants need to be passing all classes at any progress report. Those who have not met the above standard will be placed on Academic Support Plan. It will be the responsibility of the participant to produce evidence that he/she is meeting the standards. Once the participant produces evidence that the standards are being met, he/she will become eligible immediately.

EXPECTATIONS AND REQUIREMENTS OF STUDENT-ATHLETES

- All student-athletes are expected to follow the rules/guidelines established by the Oregon School Activities Association (OSAA), the Metro League, Beaverton School District, and their sport coaches.
- Students must reside in the attendance area of the school district that he or she represents during the time of competition.
- Attendance for all classes is required during the entire day for an athlete to take part in a contest or practice. The only exception to this are prearranged appointments or school field trips.
- All student-athletes must follow the regulations outlined in the Beaverton School District Consistent Discipline Handbook. In addition, student-athletes must comply with training rules established by the Beaverton School District, and demonstrate good citizenship in school and in the community.
- When your child becomes involved in the Mountainside High School athletic program, you have the right to understand what expectations are placed on your child and what we expect from parents. As a parent of a Mountainside student athlete, it is important that you share your concerns with your head coach in ways that can be heard and appreciated.
- Hazing is not condoned in our athletic program, so please help in not organizing any event that may involve kidnapping, TP houses, dress up, or any other activity that may put an athlete in a compromising position or against his/her will.
- Social network sites such as Facebook, Twitter, Myspace, and other digital platforms and distribution mechanisms facilitate students communicating with other students. Participation in such networks has both positive appeal and potentially negative consequences. It is important the Mountainside student-athlete be aware of these consequences and exercise appropriate caution if they choose to participate
